BLACK TEA

EARL OF GREY

Steep 3–5 minutes

Bergamot flavoring on full leaf black tea with balanced proportions of other citruses, vanilla, licorice root, and mallow flowers make a deeper liquor, captivating aroma and sweet & creamy flavor profile.

ASSAM

Steep 3–5 minutes

This esteemed amber brew is smooth, sweet, and sophisticated. Rich honey notes emerge, with malty undertones more subtle than a conventional, more astringent Assam. These larger leaves deliver a blissful cup that will transport you straight to India's Assam Valley.

WHITE TEA

PICKED WHITE

Steep 2–3 minutes

White teas are the least processed of all teas. They release the least amount of caffeine and are the highest in antioxidants. These pure white tea leaves from Guangxi, China, steep into a light yellow, smooth liquor and impart only the lightest buttery sweetness with a slight apricot fragrance.

GREEN TEA

ORGANIC JASMINE

Steep 2–3 minutes

Organic green tea leaves infused with the fragrance from jasmine flowers. Smooth, delicate liquor is produced from these rich green tea leaves.

A smooth, rich, earthy-sweet herbal tea delight! Touted for numerous health benefits including protection against the sun's UV rays, promoting a healthy immune system, anti-allergen effects, and colic protection. Very rich in antioxidants & minerals.

ROSEBUD & PETALS
